Antiques in the Alley has room for over 100 dealers and we want to grow and fill up three alley's, cover completely the court house lawn and cover the three block area on the sidewalk with vendors.

Booth Locations and Descriptions

Alley and Street Spaces: will range around 8 feet by 20 feet, (vehicle parked in space). Court Street (behind the court House) will be the first street used, then the alley behind the Hotel Millersburg and down that block, all the way to Antique Emporium). The third alley used will be behind Starlight Antiques and then the parking lot behind the Chamber of Commerce. The spaces are assigned first come first reserved. Example -- we have 11 spaces assigned to Court Street and first 11 alley spaces will be assigned to Court Street. (Remember the day of the event each alley is on a first arrive status. NO Early Set Up and an organizer must set each vendor in their space.

Sidewalk Space: space size varies depends on the location approx. 20 feet long by 8 feet wide, remember you can park on the street to unload your vehicle, but then your vehicle needs moved. This allows the customers to park in that space to shop the event.

Court House Lawn: 15 X 15 feet, mostly grass area (crafts, demonstrations and antiques). The first booths run along the edges of the sidewalk and then the interior grass area is assigned. Vendors will be all over the court house lawn. One food vendor is located on the court house lawn and portable bathrooms will be located along the back of the court house lawn.
